DOOR

UPGRADE TO

Heated Seat & Back

keep you comfortable and warm while your tub fills

Advanced radiant heaters provide soothing comfort directly to the surface, allowing for a heated seat and backrest. With its warm touch, it delivers the ultimate in comfort, relaxation, and health benefits. Operated by an on/off Push Control or Digital Control, the heated backrest and seat is activated in minutes, keeping users cozy and relaxed from the moment they enter the tub.

Independent Foot & Calf Massage

(Hydro + Hydro + Hydro/foot Massage)

Enjoy a full body hydro massage with Ella's innovative jetting design, or simply have a powerful, rejuvenating independent foot massage by quickly filling the foot well and using the 6 independent jets dedicated for your feet and calves. No need to fill the whole tub to enjoy a relaxing, luxurious hydro foot massage. The footwell fills in just minutes!

DUAL DRAIN TECHNOLOGY

Ella Gravity Driven 2"

The Ella walk-in tubs features industry-leading Dual Drain Technology for the fastest gravity-driven drainage available. It includes dual 4-port or 2-port, 2" oversized drains, each operated independently by durable stainless steel cable controls. This system ensures quick, efficient water release—minimizing wait time. Ergonomically designed handles offer a comfortable, easy grip for smooth operation.

Jetting & Therapy Options

Most features are optional, depending on the model, your preferences, or the size of the Walk-In Tub.
